RE: Newfield Production Company
Request for Agency Action
Docket No. 2015-020, Cause No. 139-134

Ladies and Gentlemen;

Crescent Point Energy ("Crescent Point") is a sizable working interest owner and participant in Newfield Production Company's ("Newfield") oil and gas development on lands that are identified in Newfield's Request for Agency Action under Docket No. 2015-020; Cause No. 139-134 (the "Request").

Newfield has taken the time to meet with Crescent Point to review the technical merits of the Request. From the perspective of both an operator and non-operator in Utah, Crescent Point views the Request positively and as a step in the right direction for promoting oil and gas development in the Uinta Basin.

Crescent Point hereby supports the Request in full and urges the Board to consider granting approval for Cause No. 139-134 as submitted.

Sincerely,

Ryan Waller
